**The World Needs Heroes...** food insecurity, homelessness, intimate partner violence, unsafe water supply, re-emerging infectious diseases such as polio and measles, and... Where Will You Help?

Your sponsorship through the Rotary Club of Pickering supports a wide range of local charitable organizations addressing urgent needs in your community and contributes to providing clean water and eradicating contagious diseases such as polio and measles around the world.

**Please review the attached sponsorship levels and become a sponsor of the 2026 Pickering Rotary Ribfest.**

Your sponsorship, through the Rotary Club of Pickering, has supported over 20 local community organizations. Pickering Rotary also supports our local community with food drives, meals at local shelters, winter clothing donations, the Pickering Rotary Park and so much more. Our Club is passionate about the many local community groups we support addressing urgent local needs. We are equally passionate and excited about upholding our Indigenous Peoples.

We aim to make a difference both in our community and in the world at large. Our International Projects initiative allows us to help rural communities in underdeveloped countries obtain clean water through water filtration.

Please contact me to confirm your sponsorship or if you have any questions.

Thank you in advance for your support.
